India's No.1

Plastic Products Company

National Plasto Products Private Limited is a Kolkata Based Company founded on **29th October 1997**. We are a manufacturer of plastic molded furniture and other household and industrial articles. We also operate under the name of National Plasto Moulding and we are certified under ISO 9000-2015. We make sure that our products should be at an affordable price along with serving the purpose of being efficient in usage in both household and workspace purposes. Focusing on that we manufacture products of both Regular and Premium range to fit the budget and serve the purpose accordingly. Our product range includes Premium chairs, Regular chairs, Dining table, Centre table, Stool, Baby chair, Trolleys, Patla, and many more. We cater to both traditional and contemporary products all over India in various colors, designs, and styles and also make sure that the products are comfortable, strong, and durable with premium packaging to maintain the quality of the product. Our Research and Development team helps us in maintaining and improving our business standards. Our strong Sales team supports us in reaching our customers most efficiently.
