KENSTAR

Water Heaters with GERMAN BLUE SAPPHIRE TECHNOLOGY

**Warmth that lasts long,
thanks to enhanced corrosion protection**

HEATING RANGE 2024-25

Live the Ken Lifestyle 

A warm shower to start the day. A long soak in a hot bath to end it. A warm stream of water in the kitchen on a cold winter morning. Kenstar water heaters bring you endless great experiences to make your winter delightful.

Choose from a range of feature-packed and exquisitely designed water heaters. Engineered to be power efficient, Kenstar Water Heaters are ready to make your winters even more joyful!

Kenstar is proud to offer advanced water heating solutions for modern households. Our water heaters feature innovative German Blue Sapphire Glassline Technology, eliminating rust fears and ensuring durability for total peace of mind.

Additionally, our water heaters are equipped with Whirlflow Technology to enhance heating efficiency and ensure a consistent supply of hot water. Combined with Kenstar's commitment to quality, style, and durability, our water heaters are the perfect choice for your home.
