UCOOK brings to you the new age cooking solution with its Triply range of cookware. This range is designed for today's aspirant consumer, who believes in high quality, safety and efficiency. Triply cookware ensures faster and healthy cooking on a food safe surface with minimal oil usage.

Triply clad construction has 3 layers of Stainless steel & Aluminium. The inner most layer is of 304 food safe stainless steel for healthy cooking, middle layer of aluminium which heats up faster and ensures even heat distribution; and the outer most layer is of 430 Stainless Steel for the induction compatibility.

The brand was envisioned to offer a solution to the environmental deterioration. Obouteille began by developing a range of high-quality stainless steel insulated flasks that are aesthetically pleasing, functional, durable & sustainable. Obouteille is all about making sustainability fashionable. Brand is committed to making a positive impact on the environment by encouraging people to switch from single-use plastic bottles to reusable flasks.

Our mission is: to make sustainability accessible, practical, and stylish. Obouteille is more than just a brand. Its a movement, a community of people who are committed to making a positive impact on the world.
